Open Evening

Wednesday 9 June
6.00pm in the College Hall

We welcome you to our Open Evening for a chance to get to know Naenae College and hear about our exciting journey.

6.00pm Hall opens, with a slideshow of the College in action and a sausage sizzle.

6.30pm Principal's talk.

7.00pm Tours of the College with an opportunity to talk to teachers and see students at work.

8.30pm End of evening.

Open Day

Tuesday 15 June
Thursday 17 June

Experience life at Naenae College first hand with short introductions to Year 9 Maths, English, Science, Social Studies and Physical Education.

Time: 9.15 am to 12.15 pm
Parents are welcome too!

'Dynamic and highly effective teaching staff'

'Our teachers encourage us to be strong in our own identity and help us to open up our eyes to big possibilities'

- » **Selected by ERO** in 2014 as one of 7 highly effective schools serving Decile 1-5 communities. The case study revealed how high-achieving lower decile schools are bucking the trend and producing excellent results.
- » **Strong student leadership** focus and a very settled and productive learning environment.
- » **Big Picture Schooling model** which connects our **Heart** commitment to our core values, our **Head** commitment to academic achievement and our **Hands** commitment to attendance and engagement in a full range of activities to ensure we all live, learn and grow together.

- » **Innovative Learning Pathways** which cater for students at all levels. A senior and junior Service Academy, Catering Academy, options such as Well-being, Performing Arts and Digital Tech, and an accelerated learning pathway from Year 10 focussed on achieving excellence in NCEA.
- » **Huge range** of high performing sports and cultural programmes with excellent participation rates and significant success.
- » **Restorative practice** is at the heart of how we work together with staff, students and families.
- » **Absolute commitment** to working in partnership with families to ensure no student leaves Naenae College without a minimum of NCEA Level 2 and a meaningful future pathway defined.

Nic Richards
Principal
