Principal's Message

Kia ora e te Whānau.

We have really enjoyed the opportunity to see students engaged in their passions this term. The Services Induction Camp, the SNU Formal on Tuesday night, and the Music Soiree last night were end-of-term highlights to name but a few.

I also recently traveled to Palmerston North to watch both the boys' and girls' volleyball teams in action at the National Indoor Championships. The boys played Division 2 and were up against some tough teams. The girls played Division 3 and had good success. When you are winning life is affirming and your belief in your own ability is huge. However, when you are on the wrong side of tight and toughly fought matches, you could be forgiven for being despondent or even negative. You could also be forgiven for not focusing on the amazing experience you are having by being part of a national tournament with over 1000 student-athletes competing from Division 1 all the way through to Division 6. Matapua reminded all of us this week in her report to the full school assembly. "A week away from school playing the game you love!" Absolutely right - that is what it is all about.

I am proud of what I saw in Palmerston North and the perseverance our students showed through both triumph and adversity. I'm proud of their perseverance at Induction Camp, I'm proud of the way they have worked hard to achieve success in the performing arts and I am proud of the effort and commitment they have shown.

They have shown support for each other, a commitment to the concept of team, determination, grace in the face of adversity, and our TWT values. As educators, we know that the learning in these spaces is priceless and we know "Great works are performed, not by strength, but by perseverance." Training, practice, rehearsal, and incremental improvement towards a performance that fills teachers, coaches, and parents with pride at what our rangatahi are capable of doing when they set themselves to a task are moments of magic.

As you look through this newsletter you will see the myriad of opportunities students have been taking up this term. My sincere thanks to all those who help create these opportunities and support students to be exposed to a wide variety of new experiences and initiatives that broaden their understanding of the skills and attributes that can take them far into an ever-changing future - from Bindi and Rakunui at Outward Bound to Aryan and his poetry.

I hope everyone has a restful, peaceful, and happy Easter and holiday break. Ngā mihi manaaki
Nic Richards, Principal

Board Talk

Dear Naenae College Whānau,

We hope this newsletter finds you well. We are writing to address an important matter regarding our beloved Principal Nic Richards, who has recently resigned. Nic has been an integral part of our community and has maintained a legacy of excellence during his time at Naenae College. We are deeply saddened by his departure but wish him well in his future endeavors. Nic goes with the well wishes and blessings from our school whānau as he embarks on his new chapter in Hokitika!

As we look towards the future, we want to reassure the Naenae College whānau that the Board has commenced recruitment for a new Principal. This is a process that requires the utmost diligence, and we are committed to appointing the right person for this critical role. If any staff or whānau have questions or concerns, please do not hesitate to send your inquiries to admin@naenae-college.school.nz

Additionally, the Board is in the process of preparing a 3-year strategic plan for Naenae College. We invite and welcome the voices of our whānau and caregivers to contribute to this tapestry of work. Your input and feedback are crucial in helping us shape the future of Naenae College and ensuring that our community continues to thrive.

In closing, we want to express our gratitude to Nic for his unwavering dedication and leadership during his time at Naenae College. Nic's last day with us will be Friday 30 June 2023, the last day of Term 2. We wish Nic all the best in his future endeavors and look forward to welcoming a new Principal who will help us continue to build upon the foundation that Nic has established.

The Naenae College Board of Trustees

CSW 3 X 3 BASKETBALL TOURNAMENT

We were a bit rusty, first hit out before season starts no trainings, it was so awesome to see the girls back at jamming again.

They finished 9th Overall, a lot of great teams out there, there games were just a loss by 2 or 4 points. So the girls held their own. Jazzy, Joanne, Jojo, Iveti and Hannah they all played awesome today. Hannah entered in the 3v3 senior girls 3point shot competition and she won it! (1st Place winner).

Overall it was a really good day. Shout out to Rihare Reweti, our student referee.

Ngā mihi nui ki a kōrua a Hoani raua ko Norah mo tautoko i te kaupapa!

CSW TOUCH TOURNAMENT

SNU ATHLETICS

On March 16th a small contingent from the Special Needs Unit went to Newtown Park to compete in the College Sport Wellington Regional Athletics Champs. These athletes had qualified for this event based on results from the earlier Zone Athletics competition, which the whole Unit had attended earlier in March.

Despite a torrential downpour, as we drove in to Newtown to get to the event, the clouds then proceeded to slowly clear and the sun occasionally poked through at periods throughout the day. Our athletes performed very well.

Arshaq Buksh finished 3rd in the Shot Put, while Christian Jepson finished 5th in the same event. The highlight of the afternoon's events was the girls 100m with Amelia Troke finishing a strong 1st, with Natasha Karena 2nd.

The athletics days are always much anticipated each year by the students and it is great for our students to be able to participate against other schools in a range of activities, while also enjoying success.

SNU FORMAL RETURNS!

After a three year break due to Covid the students and staff of Te Whare o Te Atawhai held their SNU Formal on Tuesday 4th April.

The SNU students had a big part in the planning and preparations for this event in their Event Planning Class during Term One. The students had voted for the theme of "Olden Days" for this year's dance.

The event was also supported by students from Upper Hutt College, Wainuiomata High School and Hutt Valley High School.

Thanks to our parents for supporting their students, and to the Naenae College Prefects for coming along in support as well.

LEARNER

SOFTBALL TEAM SMASHES IT OUT OF THE PARK!

The girls softball team competed enthusiastically in the one day regional tournament earlier in the term. Made up of a few softball enthusiasts but mostly PE students, they were fun, positive, supportive and continued to get better throughout the day.

They demonstrated our Te Whanau Tahi values towards each other and towards all their opponents. Out of the four teams that competed in the girls section, they were one of two teams whose roster was made up of only our own students.

SOFTBALL TEAM SMASHES IT OUT OF THE PARK!

Highlights of the day; Khyzanie Kino-Karangaroa smashing two MASSIVE home runs, one off a representative pitcher, and 3-4 girls who had never pitched before having a go at pitching.

Ka mau te wehi!! Thank you to former student Alana Brown coming down to help out with the team on the day.

Pasifika @ Naenae College

Tama Pasifika

A group of Year 10 Pasifika boys participated in the Tama Pasifika writing and well-being workshops during Term 1. Tama Pasifika translates to "Pacific man", which is what our tama Pasifika were learning about and unpacking what it means to be one today. The workshops included learning about wellness from a Pasifika perspective, maintaining mental and physical well-being, overcoming challenges in healthy ways, and identity development. They channelled their learning through talanoa, journaling and completing writing assignments to record their learnings and discoveries about themselves.

The workshops were run by Mani Malaeu from Empowerment Training and co-author of the book "Tama Sāmoa" with his lovely wife Dahlia. The boys enjoyed the valuable sessions, the quality of food, and the space to talanoa and share their perspectives on what it means to create their own identity. The boys would love to have Mani join us again in the near future and can't wait to keep developing their definitions of what it means to be tama Pasifika. The boys want to keep the buzz going, so they will be co-constructing with Mr Tiria about what they want to do next to keep the momentum going.

Pasifika Connect

On Tuesday 28th March the Pasifika teachers hosted Pasifika Connect: an informal connection-making event with our new and current Pasifika families at Naenae College. It was an excellent opportunity for the school to meet and greet our attending Pasifika parents and our community to know key Pasifika staff members and essential staff they could connect to at our kura.

The Pasifika teachers introduced the idea of forming a Pasifika parents group to help inform the Pasifika Education Plan for our school - an action plan document for our teachers to teach our Pasifika students in a way that is responsive to their cultures and ways of learning.

The school would like to invite parents who are interested in joining the Pasifika parents group to **email Mr Tiria at ta@naenae-college.school.nz**. The first scheduled meeting for the parents' group will be emailed to you at the start of Term 2. Thank you to the parents who have already signed up for the group.

The next Pasifika Connect session will be on **Thursday, 11 May from 6.00-7.30 pm**, focusing on NCEA, literacy, numeracy, and how families can support their children.
