Term 2 Save The Dates

We have a lot of things happening in Term 2 so there will be a lot of communication home about various activities and events. We put dates up on the school website, but I would like to let you know of some upcoming dates. More information about these events will come out as they come closer.

Please remember, when we have early closure days, we run a shortened timetable of 3 x 70 minute lessons instead of 3 x 90 minute lessons so students still have their three subjects that day as usual.
